Report of Conference Superintendent, W. Eddie Morris

Mr. Chairman, and members of the N. C. Conference:

God has kept me through another year. I am glad to report I have victory in my soul, love every body and there is nothing between God and me.

This has been a blessed year in many respects. We have had some difficulties, but fewer than in other years. We praise God and give Him the glory for this.

It has been a real pleasure to work with the conference board. They

have been cooperative and considerate. This has contributed much to the success of the conference work.

My Work

I have made 95 church visits, conducted four revivals or series of services, presided over 15 of the 16 district conferences, attended one General Board meeting in Toronto, Canada, and two Orphanage Board meetings in Falcon, had oversight over Bible Institute, all board meetings and camp meeting. I have gotten out 260 cards and 167 letters making a total of 427 pieces of mail in connection with the conference work, and also handled quite a number of telegrams and telephone calls. I have assisted or advised in the building of the conference dormitory, and conference work in general. I have preached 129 times; conducted or assisted in 3 funerals, performed one marriage ceremony, and traveled over 15000 miles in connection with the conference work.

Financial Report

I have recevied $50 per week or $2600 for the year's work, and five cents per mile traveling expenses. $241.80 have been given to me in personal gifts. I organized or received three churches into the conference. I have received 46 members into the church, including those received in through the new churches. I have paid $290.21 in tithes.

My word of exhortation is: Let each of us receive his, or her appointments as from the Lord and seek only to do the will of God. What I advise for you I shall endeavor to accept for myself.

Yours for a progressive conference,

W. Eddie Morris.

Report of Committee on Education

In a modern age, when many changes are taking place in the educational system of our schools and churches, we must recognize our obligation to support the educational institutions of the Pentecostal Holiness Church. We feel that Christian education is necessary to preserve the mental and Spiritual life of our young people.

We recommend the following:

That special emphasis be placed upon Christian education in each of the local churches of the N. C. Conference, and when it is practical a board of education be elected in each local church. The board shall be responsible for Christian education in the local church.

That a six or eight weeks teacher training course be offered in each local church. The pastor or some qualified person shall serve as instructor. One lesson a week shall be offered.

That special training be provided for the youth of our local church, and that special instruction be given to the church officials, as to their duties, in order that they may be able to serve more efficiently.

That our people, both old and young be taught, to be more loyal in supporting the local church and conference with their tithes and offerings.

Seeing the amount of juvenile delinquency among our young people, we urge that parents put forth greater efforts in daily home training.

We endorse the program of teaching the Bible in the public schools of our state.

That our people subscribe for the Pentecostal Holiness Advocate,

the Youth's Leader, the Conference Evangel and any other literature in harmony with the doctrine of the Pentecostal Holiness Church.

We endorse the general educational program of our church and pledge our support to each of these institutions and as possible that our educational program be enlarged to meet the needs of our youth.

That an institution for Christian workers be held at Falcon the last week in February 1948: the faculty be named; course of study be planned by the Conference Official Board.

Signed,

V. W. Callahan,
C. B. Strickland,
Mildred Hester.

Report of Committee on Finance

We, your Committee on Finance, submit the following:

We believe that the system of paying tithes, and giving offerings is the one and only plan God has instructed in His Word for His work. We call attention to the General Conference Finance Committee's report and the recommendation that all our members, ministers and laymen pay tithes so that all phases of God's work may be adequately supported.

We further recommend:

1. That all lay members pay their tithes into the local church treasury; that the pastor encourage the election of officials who comply with the tithing system.

2. That ministers of the North Carolina Conference pay fifty per cent (50%) of all their tithes into the conference treasury, and the remaining fifty per cent (50%) into the church treasury where the minister holds membership or may serve.

3. That no minister shall be elected to any official position who does not comply with above system.

4. That all churches pay their pastors their regular salary for the Sabbath during the annual conference session.

5. That in case of changing pastors, the local church shall defray the moving expense of the incoming pastor.

6. It is to be appreciated the way the majority of our churches have supported their pastors this past year, but in view of the rising cost of living we recommend that the salary of the pastor be increased where practicable.

7. That each local church establish a treasury and that ten per cent (10%) of funds be sent to the North Carolina Conference and the conference treasurer send ten per cent (10%) to the General Treasury.

8. That funds raised by each local church for the following causes: Foreign Missions, Orphanage, Education, General Evangelism and General Fund, to be sent to the conference treasury to be forwarded monthly to the General Treasury.

9. Due to the rising cost of living, we recommend that the Conference Superintendent be paid fifty-five ($55) dollars per week as annual salary to be paid monthly, and five (5) cents per mile for traveling expenses. All offerings received by the Conference Superintendent in his work in this conference shall be credited to his salary.

10. That the following appropriations be made:

Fifteen per cent (15%) of the conference receipts be placed in the

evangelistic fund. Twenty per cent (20%) of conference receipts be placed in the Superannuate Fund.

For the present sitting of this conference:

Emmanuel College, Franklin Springs	100.00
Holmes Bible College, Greenville, S. C.	100.00

12. That the Conference Treasurer be paid $25.00 per month for the ensuing year.

4. That any minister who has complied with paragraph one in case of death, $100.00 be paid on his or her burial expenses. This also applies to wife or husband.

5. That all promissory notes given for loans made from the Superannuate funds be endorsed by a responsible member of the P. H. Church; loans of $100.00 or more shall be endorsed by two responsible members of the P. H. Church.

6. That loans made from the Superannuate fund be paid back monthly, quarterly, or annually.

7. That interest be charged at the rate of 6% per annum.

8. That the conference treasury be required to pay 6% interest on loans from the Superannuate Fund.

9. That any note paid within thirty days after loan is made shall bear no interest. However, a service charge of 1% shall be made.

10. That all gifts or donations from the Superannuate Fund be strictly confined to the Superannuated.

Respectfully submitted,
J. W. Berry, Chmn.,
N. J. Ward,
G. P. Wells.

Report of Committee on Missions Home and Foreign

The church of Jesus Christ has been commissioned to preach the gospel to every creature through the whole world, to all nations of every tribe and tongue. In order to carry out this commission, we must recognize the need in Jerusalem, Judea, Samaria and to the uttermost parts of the earth.

In view of this fact we urge upon this body assembled, the adoption of the following:

1. That we, in accordance with the words of Christ, consider the field to be the world, and that in the light of this truth we pledge our earnest efforts to the evangelization of the 70,000,000 unsaved and unchurched here in America.

2. That we endeavor to get the full gospel into every state and country where we have not yet established churches and that we fully cooperate with the General Home Mission program in carrying forward this effort.

3. That in order to become a universal, world-wide church, such as Christ has intended, we give special consideration to the evangelization of our South American neighbors and the islands of the Sea, as well as Japan, Germany, Russia and other war affected countries, regardless of their attitude and position during the recently ended war.

4. That every church in the North Carolina Conference designate one Sunday of each month as "Mission Sunday" and receive a special offering to be used for missions and that same be sent to the conference treasurer to be applied on the general budget.

5. That our pastors and evangelists constantly keep before their congregations the great cause of world-wide evangelism.

Respectfully submitted,

W. E. Thompson,
Ruth Sharpe,
L. D. Terry.

Report of Committee on Resolutions

We, your Committee on Resolutions submit the following:

1. We recommend that no church lot or church building be purchased by any preacher or congregation until it is approved by the Conference Official Board.

2. We recommend that our conference superintendent be given one week of vacation during the year with pay, and the right to conduct one revival or camp meeting out of the bounds of the conference during the year. This pay received for his meeting shall not apply to his salary.

3. We recommend that the official board serve as a nominating committee for all committees.

4. That all prayer meetings held in a radius of one mile of a Pentecostal Holiness Church be under the direction of the pastor or church board if at all possible.

5. We recommend that the committee on the division of labor give due consideration where practicable to churches and ministers involved in radical changes contrary to the express wishes of the churches

6. That this conference adopt the code of regulations adopted by the Board of Examiners.

7. That ministers pay five dollars ($5.00) for camp meeting and conference entertainment. That when they attend conference only they pay two dollars and fifty cents ($2.50). That ministers' wives be given their meals during camp meeting and conference for $5.00. That the delegate's fare be increased from $3.00 to $4.00 for conference entertainment.

T. O. Todd,
W. M. Hudnell,
A. B. Howard.

Report of Committee on Orphanage

Inasmuch as the Word of God commands us to be diligent in the care of the fatherless, and places this along with the keeping of our souls unspotted from the world; and inasmuch as we as a church have our own institution, we feel it is our bounden duty to pray for and cheerfully contribute to the support of the Falcon Orphanage and recommend:

1. That an invitation be given, and arrangements be made for the Orphanage class to visit the churches when practical.
2. That special attention be given to the amount set up by our General Conference as a goal for the seasonal drive.
3. That every church as far as possible follow the adoption plan which is being practiced in our Pentecostal movement.
4. That each Sunday school set aside one Sunday's offering as a monthly contribution to the support of the Falcon Orphanage.
5. In this state for several years the Thanksgiving time has been chosen as a period when each person is asked to give one day's wages or income, and we recommend that a service be held on or near Thanksgiving Day in which this work shall be emphasized and placed before our people and the public and offering be received for the same.

Respectfully submitted,

Rev. E. W. Downing, Chmn.,
Rev. Moses Thomas,
Fred H. Cross.

Report of Committee on Sunday School and P. H. Y. S.

There are thirty-six million young people in the United States with no religious instruction. Catholics provide 200 hours of religious instruction per year for their children, and the Jews provide 325 hours for theirs, while Protestants provide only 30 hours for theirs.

The Bible in the public schools, the teaching pastor and the teaching parent and the family altar are almost a matter of history. Since

the repeal of the eighteenth amendment, juvenile delinquency has increased by leaps and bounds. The liquor and tobacco traffic, with all other agencies of the devil are making a determined effort to capture the youth of our land. The powers of darkness seemed to have set themselves to defy the church of the living God.

All these things constitute a mighty challenge to our Sunday schools and Pentecostal Holiness Youth Societies.

Therefore, we recommend:

That there be elected at this annual conference a President, Vice-President and Secretary-Treasurer, who shall be the head officials of and direct all the activities of the Sunday School Association of the North Carolina Conference of the Pentecostal Holiness Church.

That each local Sunday school pay tithes into their Annual Sunday School Association Treasury; that the Annual Sunday School Association pay tithes into the General Sunday School Association Treasury.

That three cents per mile be paid the officials of the Sunday School Association for traveling expenses in connection with their Sunday school work.

That each pastor encourage teacher training and see to it that a Daily Vacation Bible School be conducted in the church of which he is pastor if at all possible.

That every local pastor take the minutes of the last Annual Convention of the P. H. Y. S. and have a joint study with the young people of the society in order to acquaint them with the program.

That each local pastor work diligently with the conference officials to make successful the district rallies recommended by the recent Annual Convention.

That each local society strive to raise 70 cents per member for the purpose of building the P. H. Y. S. Conference Treasury so as to put a full-time well-paid President on the field at our next Annual Convention. We recommend that this fund be raised with the 30 cents required by the General Conference which would total only one dollar.

That the last Saturday night of the Camp Meeting be a "Youth for Christ" service under the direction of the P. H. Y. S. Conference Officials. One of the camp meeting ministers will serve as main speaker.

Our youth program is designed to aid the Church so let everyone safeguard the future of the Church by giving youth its proper place.

Respectfully submitted,

J. W. Bunch, Chmn.,
John B. Parker,
O. S. Cowan.

Report of Committee on Prohibition and Public Morals

Viewing the onward surge of tides of evil and observing the trend toward a compromise with worldliness, we call upon our people as a Pentecostal Holiness Church to declare the certainty of their position with respect to righteous action and opposition to the widespread iniquity which abounds on every side; and we, your Committee on Prohibition and Public Morals, do submit the following recommendations:

1. As we see the growing evils accompanying intemperance, observe the increased debauchery accompanying the indulgence in, and sale of intoxicating beverages, we do declare our opposition to the legalization of the liquor traffic and do urge the importance of instruc-

tion and education in temperance, and as a Pentecostal Holiness Church, call upon our people to vigorously wage a relentless warfare against the manufacture, sale, and use of intoxicating beverages in all forms, and also invite the support of the public officials who stand for temperance, sobriety, and law enforcement.

2. In view of the efforts to increase consumption of tobacco by our youth, and especially by the young women of our land, we do urge that our ministers launch a more vigorous campaign against the growth and use of tobacco, especially emphasizing the harmful effects mentally and physically, as well as spiritually.

3. Being aware of the great crime wave that is sweeping over the nation which is a great menace to the spiritual, moral, and business activities of the country—we, as a church and nation must rise in spiritual might in order to end this rapidly growing evil. The crime bill in our nation in money is figured in terms of billions of dollars, but no estimate is adequate to cover the moral and spiritual price the nation pays. We deplore the enormous increase in criminal activities, the cause for which rests largely upon indifferent citizenship and lax administration and enforcement of the law.

4. Realizing the importance of the home, we feel it should be held up before our people as just as sacred an institution as it ever has been. When the home is destroyed our civilization and nation will go down. We feel our people and especially our young people, should regard marriage as a most sacred matter and refuse to tolerate divorce except on Bible grounds.

5. As regards the Sabbath, Christ taught that works of mercy, necessity, and emergency are permissible. In view of this teaching, Christ Himself condemns all other activities and conduct on the Lord's Day as sinning against God's law of the Sabbath, and we are to look upon such from the same viewpoint.

6. That parents manifest a greater interest in the spiritual welfare of their children, and admonish and instruct them in holy living. We also urge all our members having children under the age of accountability to dress them as becometh holiness. And, as there is so much irreverence and disrespect for the house of God and religious services by the children, their parents, and even ministers of the Gospel, we do request and urge that the ministers and parents correct this alarming laxity and lead the way in treading softly while in God's house, and the children will be found to follow.

7. The movie is one of the greatest evils and destructive forces of all that have come out of the heart of Satan to destroy our youth and home. Eighty million people go every week to see pictures made in Hollywood which are calculated to destroy the morals and pull the soul down into perdition. The major part of this theatre-going host is the youth from our homes everywhere. Let us not allow our children to become engulfed by this evil; and let us all be sure that our own example we set is up to the standard of holiness.

8. We deplore the tendency toward light regard of personal obligations, use of frivolous speech, and the approach toward vulgarity and indecency of conversation and would remind our people of the statements in our Church Discipline regarding such.

9. As a church today, we contact a majority of the outside world. The future development of our Church will depend on our morals, and

conduct before them. Therefore, as representatives of the Pentecostal Holiness Church and Ambassadors of Jesus Christ, let us be more careful in all we do, whether it is eating or drinking, let's do all to the glory of God.

Respectfully submitted,
L. E. Peyton, Chmn.,
T. M. Bizzell,
Alvah Watson.

Report of Committee on Inter-Racial Relations

Created by action of the North Carolina Conference in this, the 37th Annual Session, your Committee on Inter-Racial Relations makes this report of its findings and recommendations:

First, in recognition of the deplorable conditions confronted by the displaced peoples of Europe and the Middle East, and with no disposition to entertain any degree of racial discrimination or racial prejudice, we do feel that the present plight of the Jewish people seems more critical and that the crisis these peoples face is most serious. In the light of this fact, we, your committee, do recommend that the North Carolina Conference of the Pentecostal Holiness Church support the petition recently sent to President Truman by the American Christian Palestine Committee.

Second, taking note of the existence within the boundary of the North Carolina Conference, and elsewhere in the Eastern and Southern States, a Pentecostal body whose constituency is from the Negro race and whose general theological position parallels that of the Pentecostal Holiness Church; and

Further, observing that their principal objective as a denomination organized under the name United Holy Church of America, Inc., is to bring the message of Pentecostal Holiness truth to the people of their respective churches and others of their race; and

Being cognizant that the Pentecostal Holiness Church is a religious body, chartered and incorporated, whose mission is to engage in a world-wide ministry, your Committee, in the light of these observations, recommend:

That there be set up in the North Carolina Conference a standing Committee on Inter-Racial Relations which shall be authorized to establish contact with, co-operate and advise with the aforesaid United Holy Church of America, Inc., in the following matters:

(A) Co-operation in matters of doctrinal interpretation;

(B) Promotion of mutual understanding and good-will;

(C) Exchange of publications and periodicals between these two Pentecostal bodies.

In making these recommendations, your Committee would explicitly emphasize that this report is not intended in any manner to encourage a spirit or idea which would ignore or seek to destroy God-created and ordained racial differences, but that in recognizing and respecting these actual existing differences we shall seek to bring about a true Christian understanding and fellowship between all men and nations, and thereby destroy such germs of hatred and ill-will in the hearts of individuals, not only those ideas which promote strife between nationalities and races, but between individual citizens of any nation or race.

Your Committee also would have the North Carolina Conference

understand that this report and recommendations are in harmony with the present efforts of our General Board of Administration through its Home Missions Board toward a better inter-racial understanding, and is not to be construed or interpreted as a movement seeking an organic merger of the Pentecostal Holiness Church and the United Holy Church of America, Inc.

Finally, your Committee recommends that a fraternal delegation from this conference convey to the Southern Convocation of the United Holy Church at its annual meeting in Durham, North Carolina, during the week of September 21-28, 1947, the action of this conference in adopting this report, and that the North Carolina Conference express its Christian sympathy to the United Holy Church of America, Inc. in this hour when it mourns the passing of its Presiding Bishop H. L. Fisher.

Respectfully submitted,
Committee on Inter-Racial Relations
James W. Butler, Chmn.,
W. H. Turner,
Hubert T. Spence.

Report of Committee on Woman's Auxiliary

We, your Committee on Woman's Auxiliary, submit the following:

Since the Woman's Auxiliary is an official organization of the Pentecostal Holiness Church, we recommend:

1. That all pastors and ministers promote an organization in each church.

2. That an official of the Auxiliary make at least one visit a year to each church to encourage, promote and acquaint the people with this great work.

3. We request that a place be given the Woman's Auxiliary in the quarterly conference and also in the camp meeting to better acquaint the people as a whole with the accomplishments of this work.

Mrs. Lessie Polston,
Mrs. I. S. Taylor,
Mrs. E. B. Clark.

Memoirs

We, your Committee on Memoirs, submit the following report:

Whereas, it has seemed good to God our heavenly Father, to call from among us three of our loyal and aged ministers, we humbly submit and reverently bow to His will.

We are hereby reminded, of the following text in His Word:

Gen. 3:19, "For dust thou art, and unto dust thou shalt return."

Eccl. 12:7, "Then shalt the dust return to the earth as it was: and the spirit return unto God who gave it."

James 1:10, "Because as the flower of the grass he shall pass away."

These three ministers in their passing have left an example worthy to be followed by laymen as well as ministers. Each of them knew how to sympathize with other fathers who were taxed with the support, care, and comfort of little children and young people. Each of them reared large families and many of them are a credit to our churches now.

Rev. W. J. Noble was convinced of the truth of Holiness and Pentecost soon after hearing it preached in its fulness in power and being deeply convicted sought and received the experience of the new birth and soon after was sanctified and baptized with the Holy Ghost. Being a sufferer with t.b. he sought and received the blessing of divine healing and was made whole.

He united with the Pentecostal Holiness Church and went about conducting prayer meetings and was a blessing to people wherever he held services. He was called to preach and joined the Annual Conference at Kinston in 1910. Was ordained to preach the gospel in its fullness.

He was assigned to pastor churches from year to year on various charges and he labored to win souls and to feed God's lambs and sheep.

He also labored with hand and muscle to build church houses and parsonages wheresoever he was assigned to serve. Even though he had a large family, if his conference assigned him to a charge that made it necessary for him to move, he accepted it as from the Lord and went about the task with pleasure. He labored faithfully, was made a great blessing to hundreds and finally broke in health and soon went home to be with Jesus, whom he loved and served.

Rev. J. H. Sutton was gloriously saved and sanctified in the month of March, 1898 in a Holiness meeting held under a large gospel tent near his hime. He was full of divine love and was very active for the Lord, singing, praying, testifying, and shouting, while conducting prayer meetings in various places. He was loved and appreciated by everybody who loved God and the way of Holiness. There were scores of people blessed and won to Christ by his ministry. He was called to preach the gospel soon after he was sanctified and joined the Holiness Conference, was ordained to preach the full gospel at Fayetteville, N. C., in the year 1904. He farmed and pastored churches and held revivals for a long period of time. He labored to live right and to please God and to be the greatest blessing possible to the people whom he served and lived among. He lived to be 79 years of age and with the help of a few good people built a nice church the year before he died. He is now resting from his labors, waiting for us to meet him in heaven.

Rev. S. C. Hodges, a small man in size, but with a simple faith, deep conviction, and a strong will, brought up in the country in the hard way, but with an honest heart, sought God early in life, after having heard the gospel preached with power. He seeing the light on Holiness and believing it to be Scriptural and the truth from the Bible, accepted it, was gloriously saved, sanctified, and soon after being sanctified he sought the baptism of the Holy Ghost and received Him in Pentecostal fullness. There was a church organized and he became a charter member of Hodges Chapel P. H. Church. He gave a plot of ground for church and Conference camp meeting purposes. Piney Grove Camp Ground has been and still is a blessing to hundreds. He was called to preach soon after he was sanctified and was bold for God, yet meek and humble in his daily life.

His preaching was sound and Scriptural, and was received by scores of people wherever he conducted revivals. He joined the Conference at Falcon, N. C., in 1909 and was ordained to preach the gospel, which he did as long as he was physically able. He was loyal to his church and conference and labored to be a blessing to the people whom he served as pastor. He passed on to his reward at the age of 79. He found great pleasure in making others happy.

Signed,

A. H. Butler,
E. S. Beasley,
John Sewell.
